

THE BROADS WALK CHALLENGE

13-14 JUNE 2020

THE BROADS WALK CHALLENGE

Come with us and trek through the Broads National Park. It's unique and spectacular habitat offers fantastic wildlife and beautiful country views.

This trek promises quiet country lanes, well maintained tracks and stunning nature trails such as the Weavers Way. You will traverse through rolling countryside whilst following the rivers and waterways as they make their way to the sea.

If you want to fundraise for a special cause - there's no better event than The Broads Walk Challenge, a genuinely tough but achievable trek for all levels of experience.

Your friends, family and colleagues will recognise the scale of your challenge and can generously support you with their sponsorship.

You can walk, jog or run this route, entering as an individual, group or relay team. Starting points for the relay are Acle, Hoveton, Aylsham or Hickling. Each leg will be between 21 - 23km with a shuttle bus service provided.

Distances

90km Route

A challenging circular trek that starts and finishes in Acle, taking in all the fantastic aspects that the National Park offers.

50km Route

Aylesham to Acle. A beautiful hike that hosts breath taking views of wide skies and winding waterways.

25km Route

Hickling to Acle. The largest of the Broads, Hickling Broad is a year-round haven for wildlife. Walk along its trails and take in the beauty of the area.

For both the 50km and 25km, you can meet the group at well marked start points or come to the Acle HQ and take the bus - both journeys are less than 30 minutes.
